

Sharing content from the Article Hub

To share content from the Article Hub there are three ways to do so:

- 1 | If the post has a 'continued reading' link, click to expand the article. At the bottom of the content are share buttons that allow you to share the article to Twitter, Facebook, LinkedIn or to send to a email address. Enter your own social media details in the pop up window of the corresponding share button.
- 2 | If there is a graphic only, click on the graphic itself, this will link to the infographics library tab. If you click again on the correct infographic again this will take you directly to the graphic with sharing button options.
- 3 | To download A4 print PDF or a whitepaper word file, please click on the links at the bottom of each article.
